SPRING SEASON OPENER KICKS OFF WITH A BANG!

RUFL Opening Day may have started in a cold, rainy downpour, but it ended in fireworks! Our new Spring Season kicked off with a pep rally at 12:00 on the Penske Campus, led by The Humane Society of Berks County's Mobile Vet. From there, the stars poured into Body Zone. Reading United A.C. President Art Auchenbach welcomed the crowd, and a Golden Retriever named Tucker performed both the Ceremonial Coin Toss and the First Kick.

Of course, the main cause of the evening was to raise awareness for the HSBC. Thank you to all that donated! Special Thanks to all the celebrities who appeared to champion this cause, including former WWE wrestler Gene Snisky, Reading Express Steam Team member Michele Chasky, anthem singer Jennifer Parker, and the entire HSBC staff.

The Chocolate Labs may have defied the critics and won the night, but all teams – including the expansion Locos – played competitively. This is shaping up to be our most exciting season yet!

Week 1 HIGHLIGHTS

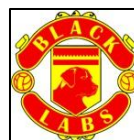

Tucker – Early favorite for Coin Toss of the Year. No question that Tucker was smarter than 90% of people in the building.

Caboose – Thrilled fans with his playfulness. Rumor is he scored a big goal for the Yellow Labs, too. Who was that masked man?

Week 1 LOWLIGHTS

Black Labs – They are the RUFL version of the Miami Heat, but the Big 3 (Reilly/Ulle/BJ) have shown absolutely no sign of chemistry.

George J. Kanupka IV – Only 5 years ago, the Kanupka Era's foolish decisions threatened to end the league. Today, we thrive!
